ECCLESIASTES 2

DISCUSSING GOD'S WORD

1. What three different pursuits for finding soul satisfaction are mentioned? What conclusion is reached for each pursuit?
2. How is Solomon's heart engaged in each pursuit? Explain your answer from the text.

APPLYING GOD'S WORD

1. How would you describe your aspirations for amassing wealth and material things? How does Matthew 6:19-21 address these desires?
2. If we "can't take anything with us when we die," what is at the root of our passionate determination to build earthly kingdoms?
3. For the last two weeks we have discussed the idea: "All is vanity and a striving after the wind." How can you, as a Christ follower, share your purpose here on earth with someone who does not know Christ? Consider Ecclesiastes 12:13, Genesis 1:27, Matthew 22:37-39, and Ephesians 2:10.

PRAYING GOD'S WORD

1. Heavenly Father, forgive us for having other gods before You.
2. Help us use the gifts that You have graciously given us for Your glory.
3. Heavenly Father, would you bring people into our paths who need to hear that soul satisfaction is only found in a relationship with You?
