

NOT QUENCHING, BUT DISCERNING

**AUGUST 7
(LORD'S SUPPER)**

DISCUSSION WIN

Help your group discern God's leading in their life.

DISCUSS GOD'S WORD

1. Share a time when God spoke clearly to you through the Bible. What was it like? What passage did he point you to?
2. Have you ever stifled God's Spirit in your life before? What was that like? How would you advise someone in our group who is tempted to resist God's voice today?
3. A key way we can stifle God's Spirit is by closing our Bibles (verse 20). Would anyone mind sharing what God is teaching them in their personal Bible reading?
4. According to verse 22, disciples should resist evil in all its forms. Gossip, political idolatry, and materialism are a few subtle ways that evil manifests itself among us. Can you think of any other manifestations of evil among us as a church or Life Group?
5. Is there a form of evil that God is currently calling you to abstain from? Consider breaking into small groups of 2-3 to confess and pray for one another.
6. Christ held fast to what is good and abstained from every form of evil. Close group by prayerfully giving thanks to Christ for his work that allows us to obey.

PRAY GOD'S WORD

Spirit, help us to listen to your voice in the Bible. Give us self-control to obey you in every way.
