# **GIFTED BY THE SPIRIT**

**1 CORINTHIANS 12:1-13:3**

## **DISCUSSION WIN:**

Help your group believe that each Christian has a part to play in the life of Providence and your Life Group.

## **DISCUSS GOD'S WORD:**

- What's one of the best gifts you've received?
- 1 Cor. 12:7 shows us that our gifts are meant to bless others. How do you see your spiritual gifts working towards the common good of our Life Group or Providence?
- Share a memory of when you were able to use one of your gifts. What happened?
- Trusting in Christ makes you a part of a family (1 Cor. 12:14-20). Do you feel connected to the body of Christ? Do you feel connected to the Providence family? To this Life Group?
- Our gifts should be used to care for one another (1 Cor. 12:25). Share a moment when someone used their spiritual gifts to care for or bless you in a unique way.
- As a family, we use our gifts to collectively make more disciples. On a scale from 1-10, how strongly do you believe you're being partnered with for this mission?
- Disciplemaking is a team sport. Take a moment to talk about how your group's spiritual gifts can work together at reaching our four and Raleigh.
