SPIRITUAL FAULTLINES

Genesis 3:1-6

Discussion Win:

Help your group see the danger of sin and help one another turn to Christ instead.

Discuss God's Word:

As a group, read Genesis 1-2 out loud. Note where you see God's goodness or kindness in these verses.

How would you describe the Serpent's question to the woman in verse 1? Innocent? Persuasive? Critical? Incredulous?

Share a moment when you were tempted to doubt God's goodness as it relates to a specific command of Scripture. (Examples: Idolizing career, sex outside of marriage, materialism, harsh anger, etc.)

What are some of the consequences of sin in the Bible? Have you seen any of these play out in your life?

Satan is looking for ways to help us doubt the consequences of sin. What sin areas in your life are you inclined to doubt the consequences?

Read Heb. 3:12. How can we encourage one another to hold fast to Christ?

Share a moment when another believer encouraged you to resist sin.

God is good because He crushed Jesus in our place. End group by specifically praying for one another that we would trust in God's goodness.
